

I'M GOING
BACK TO
SCHOOL!

It's time to start school again!

This year, things are a little different. I might have to do my school at home.

I will see my friends and my teacher on my computer. Wave hello!

I will read books and do my work at home with my family. They will help me if I need it!

It's hard not to be able to play with my friends on the playground, but I can play with all of my toys at home.

A lot of things are the same. I will get snack times and play times, after I have done a good job on my work.

I have to sit still sometimes, and that's hard. I know that when it gets too hard, my teacher can help me with a break time.

I know that school is different, but I can still have fun and learn lots of new things!
